

Burning permits are required in the Town of Lincoln for any open outdoor burning!

Permits are only issued for items legal to burn (example: brush, leaves, grass or clean wood) and when there is not a burning ban on.

To have a burning permit issued you must have verbal contact with one of the officers of the Fire Dept. listed below. If they are unavailable to answer your call leave a message with a return phone number for them to call you back. **You do not have a permit until your call is confirmed by one of these officers.** Please allow proper time from when you call has each has other employment as a first obligation.

FOR PERMIT CALL ONE OF THE FOLLOWING:
